

## CALL FOR MASTER ADMISSION

### ACADEMIC YEAR 2022 – 2023

University of Science and Technology of Hanoi (USTH, also known as Vietnam France University) is an advanced-model international public university established by the Decision No. 2067/QĐ-TTg dated December 9<sup>th</sup>, 2009 of the Prime Minister under the Inter-governmental Agreement between Vietnam and France on November 12<sup>th</sup>, 2009.

USTH follows the European Bologna Process: Bachelor (3 years, 180 ECTS), Master (2 years, 120 ECTS), PhD (3 years). USTH's teaching methods are based on high level of practice in research and development laboratories, and close linkage with industries through internships in Vietnam and other countries. The percentage of master students doing internship abroad is up to 60%. All lecturers at USTH graduate from prestigious universities, of which 70% are foreign lecturers with international teaching experience. The official teaching language at USTH is English. Annually, USTH provides various attractive scholarship policies for students.

Upon graduation, students will be granted two Master degrees which are widely recognized in the world (one by USTH and one by a French Institution).

1. **Enrollment target:** 100 full-time Master students for academic year 2022-2023.

2. **Training programs**
